

## VCS LENDS HELPING HAND DURING 2019 POLICE UNITY TOUR.

On May 9, 2019, the Linden Police Department in New Jersey, a customer of VCS, sponsored fifteen officers to participate in the annual Police Unity Tour. The primary purpose of the Police Unity Tour is to raise awareness of Law Enforcement Officers who have died in the line of duty; with the secondary purpose being to raise funds for the National Law Enforcement Officer's Memorial and Museum.

The 2019 tour, which raised a record \$2.8 million, began with a ceremony at the World Trade Center, and later passed through Linden, where officers were greeted by VCS staff with snacks and water.

"VCS and its founder, Guy DiMemmo, have not only been a loyal supporter of law enforcement, but they have put their money where their mouth is by supporting the Police Unity Tour and Team Linden Police," said Lieutenant Michael Babulksi of the Linden Police Department. "Without the generous support of VCS, our annual PUT rest stop in Linden would not be as nearly successful as it currently is."

Following the VCS-supported pit stop in Linden, officers continued on to complete their journey, riding more than 250 miles to the National Law Enforcement Officer's Memorial in Washington D.C.
