

APPLICANT TRACKING & RECRUITING SOFTWARE

VCS' partnership with JazzHR offers businesses the ability to optimize their recruiting process with applicant tracking. JazzHR is a powerful and user-friendly recruitment and applicant tracking software (ATS) that scales a business' ability to find and hire great talent. JazzHR helps you automate and optimize the entire hiring process so you can save time, make the best hires, and cut overall recruiting costs.

A SIMPLE SOLUTION FOR EACH HIRING STAGE
JAZZHR SEAMLESSLY TIES INTO EACH STEP OF YOUR HIRING PROCESS

1. Get Candidates

Job Postings & Syndication

Broadcast your job openings everywhere qualified candidates are looking.

Post to 20+ Job Boards with A Single Click

Post jobs to the most popular free and premium job boards like Indeed and Glassdoor

Harness the Power to Employee Referrals

Invite co-workers to refer job candidates through JazzHR's fast, easy and efficient platform

Attract Candidates with a Great Careers Page

Create a better candidate experience using JazzHR's customizable, mobile-ready careers page

2. Manage Candidates

Applicant Tracking System

Replace time-consuming tasks in email and spread-sheets with a powerful applicant tracking system.

Better Manage Your Candidate Pipeline

Track the progression of your candidates through customizable recruiting stages or JazzHR's default workflow

Stay In The Know

Stay informed with a real-time stream of the latest activities related to your candidates

Automate Redundant Busywork

Save time by triggering emails and assigning tasks between stages to automate repetitive tasks

3. Interview Candidates

Interviews & Assessments

Bring your A-Game to every interview using JazzHR's revolutionary interview tools.

Coordinate Guided Interviews

Empower interviewers to ask insightful questions using customizable and mobile-friendly interview guides.

Easily Schedule Interviews

Sync personal calendars like Gmail or Outlook to view availability and find times that work for everyone

Compare Candidates and Collaborate as a Team

Use Candidate Scorecards and Assessments to evaluate prospective employees with your team members

4. Hire Candidates

Offers & eSignatures

Digitize the entire offer process to save valuable time and eliminate unnecessary paperwork.

Create and Send Offer Letters in Minutes

Embed tokened fields in JazzHR's offer letter templates to easily generate letters on the fly

Track Each Version of your Offer Template

See a history of your template so you know what's happened and can revisit later

Complete Offers and Onboarding Faster with eSign

Eliminate stacks of paperwork and completely digitize your offer acceptance and onboarding processes

5. Learn and Improve

Reports & Analytics

Uncover hidden inefficiencies and opportunities within your recruiting process.

Stay Compliant

Fulfill reporting requirements and be prepared to address legal matters using compliance reports

Customize your Data

Get unprecedented access to your data with JazzHR's 100% customizable reports

Expose Recruiting Opportunities

Identify where the best candidates are found and uncover bottlenecks in your process
