

Proudly Benefiting

AT OUR 2019 USER CONFERENCE!

VCS' 2019 Atlantic City-based user conference, Evolution Exchange, will hold a charity auction in which all proceeds will be donated to Covenant House New Jersey.

Since 1989, Covenant House New Jersey has been providing a continuum of care through street outreach, crisis care, and supportive housing to homeless, runaway, and trafficked youth between the ages of 18-21.

With residential facilities located throughout Atlantic City, Newark, Montclair, and Elizabeth, Covenant House New Jersey programs are designed to provide youth with a holistic approach to leaving the streets and achieving independence.

Your support gives Covenant House New Jersey the chance to rescue young people from the streets and give them the support, hope, and promise that all children deserve.

VCS is currently seeking in-kind donations to place for bid during the auction benefiting Covenant House New Jersey. If you're interested in donating an item on behalf of your business, please contact Michelle Grossman at mgrossman@vcsoftware.com.
